Individual Attestation and Consent to Work/Participate

In compliance with the State of Washington's "Safe Start" plan and the Diocese of Olympia's "Guide to Gathering in Person," St. James Episcopal Parish of Kent, Washington¹, requires: that you be informed of the symptoms and mechanisms of spread of the 2019 novel Coronavirus (COVID-19); attest to be symptom-free at time of entering the premises; consent to the risks of working, volunteering, or participating in any activity on the premises; and to release St. James Episcopal Church from liability in the event of exposure or sickness.

What is the Coronavirus and how does it spread?

COVID-19 is an illness caused by a virus that is spread person-to-person or by touching a contaminated surface and then touching your eyes, nose, mouth, or face. The virus is believed to be spread primarily through respiratory droplets. Those who have been infected have reported mild to severe symptoms, and can include:

Fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea.

While all people are at risk of contracting COVID-19, older people (over the age of 65) and those with underlying health conditions (heart or lung disease, diabetes, etc.) are at greater risk of adverse health effects and death and are ***strongly encouraged to stay home.***

If you have experienced any of the above symptoms within 14 days prior to the event you plan to attend at St. James, or have come into contact with anyone who has shown signs of these symptoms or has tested positive for COVID-19 within the same 14 day period, you are required not to attend the event at St. James (or if already on site for the event to vacate the premises immediately) and strongly encouraged to contact your medical care provider.

Cooperative Mitigation Policy (Outdoor Liturgies)
